## Parking Lot Sale May 20 & 22

Steve is the ultimate bargain hunter (hey, anything to give our customers a bargain!) and he hunts all year to find special deals on glass and tools.

We will fill half of the parking lot with glass crates full of great glass at great prices! Inside you will find more bargains on used equipment, new items, bevels, books and much more! You don't want to miss this semi-annual Parking Lot Sale!

We have so many bargains that we will be open **Saturday 9:30 - 3 pm and Monday 9-6 pm.** Saturday will be outside (*Rain Or Shine*) and Monday will be inside the store! Come early and bring the big truck!

## Tool Demo May 20

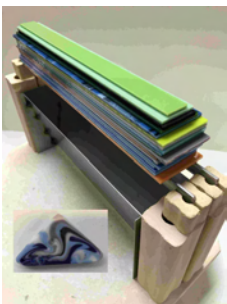

Thinking about buying a new Cutter's Mate or Beetle Bit Cutting System but not sure which is right for you? Come in on Saturday May

20 and we will show how great these tools are and you can try them yourself! We will also have the Creator's Bottle Cutter to demo as well.

Having the right tool for the job makes all the difference in the world of glass! Stop by and take them for a test drive and save money too!

**More parking next door at  
The Drive-In Antiques!**

## Vitragraph Kiln Fun

Sat 9:15-2:15pm Fee \$40

Skill Level ★★ *Plus Materials*

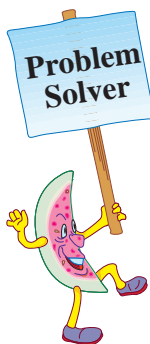

Ever wonder what it would be like to do the unthinkable with your kiln? To actually pull hot glass out of the kiln and get your creative groove on?

We are actually going to do just that with a Vitragraph kiln. It is a kiln with a hole in the bottom that will allow us to pull out hot strings of glass and

manipulate them into really cool spirals and shapes. Then we will use those design elements and make a one of a kind Fused Plate.

Class is limited so sign up today!

## Website Update

Check out our website at [www.glasshousestore.com](http://www.glasshousestore.com) and search for *Problem Solver* and see all of our really helpful hints. More to come! up for our email alerts and be the first to look at the flier, class schedules, and new Problem Solvers. Stay informed, you just never know what those Glass

House Nuts will be up to next! No salesman will call!

# CLASSES

May 30

Skill Level ★

## Mosaic Table Class

3 weeks- 6:30-9pm Fee \$50  
Includes Table, Glue & Grout

Art meets function in a fun way! Join us in our Mosaic Glass Table Class and see how much fun playing with broken glass can really be!

In this hands-on class, you will create a beautiful 16" round table top using mosaic glass. We will

show you the different stages of doing a mosaic project, including adhering the glass, grouting and finishing the top. You will create your very own work of art!

The class will meet every Tuesday for 3 weeks. The fee includes your metal table (valued at \$45.99), grout and glue.

Class is limited so sign up today!

July 1

July 15

## Pattern Bar Plate Class

Sat. 9:15-2:00 Fee is \$55

Skill Level ★★ Plus Materials

Ever wondered how they made beautiful kaleidoscope effects with fused glass? Pattern Bars can be great fun! We will explore the wild and wonderful world of making pattern bars to incorporate into your fused projects! You will actually make your very own pattern bar in the first class.

The second class, you will make a plate using your pattern bar elements from the new Kaleidoscope Mold!

We will also discuss different types of pattern bar molds and how to use them. Learn how to set them up in the kiln and set firing schedules

**No Fusing Experience just glass cutting skills needed!**

June 10

## Wine Bottle Windchime

Sat 9:15-1:15pm Fee \$40

Skill Level ★ Includes Materials

Art comes in all shapes and sizes! Join us in our **Wine Bottle Windchime** class and see how recycling can be fun and functional!

In this hands-on class, learn how to cut wine bottles and decorate them. Then, we will drill holes and string your danglers made of slumped bottle rings into a beautiful work of art.

The class fee includes everything, and all you need to bring is your imagination! You will never look at an empty wine bottle again without thinking, "I can make beautiful things with that!"

Class is limited so sign up today!

July 8

July 22

## Fused Glass Flower Garden

Sat.9:15-1:30pm Fee \$45

Plus materials

Creating a glass flower bouquet is fun and easy! Watch the kiln bloom as you learn to fuse and slump glass in this exciting hands-on entry level class. Get introduced to both fusing and slumping as you cultivate 1 to 2 gorgeous 3-D blossoms. We will explore first hand basic fusing concepts, mold preparations and hardware assembly. Let the

experts show you how to enhance your unique creations using frit, stringers and glass. We'll share new ideas incorporating beautiful glass flowers that will inspire your imagination.

Even if you have two brown thumbs you will have no trouble raising these floral beauties. You will need to bring your glass cutting tools with you to class.

**No fusing experience is necessary!**

## Stepping Stone Class

June 28

Skill Level ★★

Wednesday 6:30-9pm Fee \$45

Includes DiamondCrete

Beautify your garden with a sparkling new garden stone! Join us in our next Stepping Stone class and see how easy it is to create your very own stepping stone!

In this class, you will actually make a 16" round stone with the amazing *DiamondCrete* stone mix (several

colors to choose from). We will show you how to prepare your mold, lay out your project and work with *DiamondCrete* mix. *DiamondCrete* sets up in only one hour! *Easy and Quick!*

The class is **Wednesday June 28**, 6:30-9:00. The fee is \$45, which includes *DiamondCrete* and everything you will need to make a 16" stone, except glass.

**The Fine Print:** You will need to come to class with your glass cut for an 16" Round stone, which you can choose from several patterns when you sign up. **You must have your project cut out and ready to go before class begins.**

Space is limited so call today! Glass Cutting is required!

July 11
